Scrambler Backpack

Designed to be well-equipped for calculated city missions and last minute adventures into uncharted terrain, the Scrambler backpack combines durable adventure solutions into a sleek urban style. The ergonomically fitted backpack straps allow you to comfortably carry your required accessories for your next mission, while the side handle allows for easy handling and a professional look during your daily routine. The roll-top closure will allow for more space in the main compartment if needed, and adjust to fit your required space perfectly for the day. The 15" laptop pocket with external access and quick-access travel pocket will allow you to get to your computer and documents without having to dig through the main compartment if you are in a hurry. If you are looking for a versatile bag for daily usages in and out of the city in a beautiful classic silhouette, than the Scrambler was built for you.

- Urban mobility bag with roll-top closure
- Large, size adjustable main compartment with internal zip pocket
- Padded 15" laptop pocket with external access
- Quick-access travel-doc pocket
- Front zip organizer pocket
- Side handle
- Padded ergo straps with adjustable chest straps
- Soft padded mesh back panel
- Gear loops
