How Plytix stacks up against Quable

Based on the independent, third-party review site G2

Here's how Plytix stacks up against Quable based on the independent, third-party review site G2.

But wait, what's G2, and why should I care?

G2 is the largest and most trusted software review site worldwide. So, when you are looking to discover and compare leading tech solutions (such as a PIM), this is the place to go. You're checking out this report, so chances are you are probably researching the best PIM solution for your business. To make your PIM research as easy as possible, we've put together this comparison report based on data from G2, so you don't need to search for that information yourself.

Plytix ranks as the #1 PIM software on G2

G2 Results Index for Product Information Management | Winter 2026

● Likely to Recommend ● Meets Requirements ● Estimated ROI ● Other Factors

Note: The data used in this report is taken from the Product Information Management (PIM) category. All reviews were collected as of March 1st, 2026.

Classification	87%	84%
Publication	84%	82%

“An essential tool for our business growth”

I would suggest as you do your research - call Plytix! Talk to a real person and experience the high level of customer service that makes Plytix stand apart from the rest of the PIM's out there. Plytix has eliminated our product data silos and is our single source of truth. It has paved the way for a rich presentation of our products, has helped with product consistency, minimizes errors, and is easily accessible to all team members.
